| † Mathematics (MA) | † US Diversities (USD, GLD) |
| † Natural Science with Lab (NSL) | † Global Perspectives(GLP, GLI) |
| † Additional Math/Science (MNS) | |

Do you want to substitute something for the above requirement, or waive it?

† SUBSTITUTE

List the courses you have taken, are currently taking, or plan to take to complete the requirement.

1. _____
2. _____
3. _____

† WAIVE

This means you're exempt from the requirement: no credit awarded, but you still need 126 credits to graduate (120 for students who are graduating December 2023 or after).

Number of credits to waive _____

Rationale for request (you may also use the back or attach supporting documentation if needed)

Submit this form to your advisor for approval. Once they approve, the form can be forwarded to the Registrar's Office for review by the Registrar. If this change affects your major or minor, additional paperwork may be needed. Check with the department and, if you are pursuing a teaching certificate, with the Education Department.
